

Touching People . . . Building Families Reaching Nations

Summer in St Pete -

Great is His faithfulness! I am currently preaching a series at ICA through the book of Galatians. Time and time again we are reminded of the price Christ paid for our salvation and the need for us to abide in our salvation by faith. For some of us it may be easy to take for granted what Jesus did for us, but for some it is difficult to believe that salvation fully provided in Christ. At ICA, we teach the full Gospel and thereby produce strong, firm, scripture based believers ready to tell the world how great a salvation God has provided in Jesus.

Africa? No, Student's For Christ Camp in St Petersburg!

SFC Russia held its annual summer camp just outside of Saint Petersburg in July. Jamey, our missionary associate, helped organize the camp and 3 of our students attended. John spoke for one of the afternoon sessions. What a great time of fellowship with students (mostly African) attending University in four Russian cities.

International Academy

Renee serves on the board of directors for International Academy, our St Petersburg missionary community's Christian school. Within three short years the school has evolved from a "wing" of a local Russian Christian school to being an independent International Christian School. Last month the school signed a lease on a building. This is an amazing miracle! Twice a week we join several missionary families in the task of cleaning, painting, and preparing the building for the coming school year. Info about IA & our needs go to:

Praises:

◆ A Great school year for our many students—Any, one of our girls—just finished her 1st year of nursing school—this was NO SMALL accomplishment for her—WE ARE PROUD!

◆ In spite of the "summer exodus" attendance at ICA is 40 or more each week & is financially self-supporting!

Pray:

- ◆ NEW families for ICA—3 families and a some of our singles moved this summer (25 people)
- ◆ International students who are travelling this summer
- ◆ Continued financial partnership
- ◆ A pastoral team & leadership at ICA

Summer at ICA . . . July and August are holiday months in Russia and including ICA! June brought final goodbyes to two of our families and summer goodbyes to many of our students and missionary families—they'll be back in August ... *but oh, do we miss them!* Each

Sunday we have one or two different short term missions' team visiting us. Teams travel from all over the world to Russia to share in summer ministry (mostly to orphans). So far we've had visitors from Australia, Canada, Holland, UK, and the United States! Meanwhile . . . We continue our weekly activities at ICA. Including *Friday night at the Pastor's flat* ... a time for food, fun, & fellowship with at least 15 coming for dinner!
